# COLOURS

# Hello!

A close-up photograph of a brown, shaggy teddy bear wearing bright blue-rimmed glasses. The bear is positioned on the left side of the frame against a dark, textured background.

Hello! My name is Ted!  
What's your name?

It's  
Blue!

# Game

## Hidden objects

Use the objects that you showed the students during your colour introductions and get them to repeat the colours so you know that they remember.

Cover your own eyes and gesture for them to close their eyes.

Remove one of the items from the camera view and ask them to open their eyes. The student must guess which colour is missing.

What  
colour is  
it?
